C.A.V.E. Idaho has documented in this report what was observed on an unedited video clip retrieved from security camera footage installed at the property location. This report and the raw video footage retained is for informational purposes to aide property owners and those with fiduciary control of a property, the ability to determine when the incident occurred and to possibly identify responsible individuals involved in the incident. C.A.V.E. Idaho makes no claims to the identity of individuals shown on video footage but will provide descriptions to the best of their ability based on actual video footage retrieved from the camera(s) on site.
